

CHRISTINE TIERNEY STUDIO

SAFETY PREPAREDNESS GUIDELINES 5/31/2020:

(I do not have any employees.)

Door knobs, sinks, and the rest room will be wiped down with sanitizer frequently.

Visitors will be limited to 4 at a time and will be required to maintain proper distance and wear a mask while in the studio/gallery. At this time no visitors will be allowed while a class is in session.

Students will come prepared to social distance. Tables and easels will be set up with safe distancing in mind.

Bring & plan to wear a mask, hand sanitizer, and if you also want, gloves (gloves are optional, I realize it is difficult to paint with gloves on, just make sure to wash/sanitize your hands often during class). Just a note: make sure your mask is comfortable & breathable! 3 hours class time is a long time to wear a mask. If you need a break from your mask, you will be asked to step outside to remove it and grab a breath of fresh air.

At this time I will be limiting class size to maximum 5-6 students to allow for enough private space between us.

Bring your own supplies, including paper towels, everything you will need to work on your drawings & paintings, as we will not be sharing supplies until further notice.

I have hand sanitizer at the front door & in the rest room, and disinfectant wipes so you can wipe your easels down.

Please dress for comfort - Bring a sweater or jacket, as the air conditioning can get a bit chilly, and on some days it can even get a bit warm in the studio. Also I will no longer be sharing my paint shirts or aprons - please bring an old shirt or apron to wear if you wish to protect your clothing.

If you are not feeling well, PLEASE STAY HOME!

I will make special dispensation during this pandemic and give you class credit for missed classes. Let me know if you are not able to attend class.
